

# **POLICY ON COMMITTEE OF THE WHOLE AGENDA ITEMS**

The City of Stoughton Common Council adopted the following policy on July 24, 2001:

In addition to those circumstances currently established by Ordinance, Committee of the Whole items may come from Council relating to a Council agenda item or a friendly amendment to a motion. If six (6) council members, including the Mayor's vote per Roberts Rules of Order, agree, a Committee of the Whole will be scheduled. The request shall include a written memo detailing the nature of the issue.
