

Our Mission

To promote the arts in the community of Stoughton through awareness, appreciation, education and support; creating a connection between artists and audiences to enrich the quality of life for all.

Formed in fall of 2005, The Stoughton Arts Council is an association of artists of all disciplines, arts groups and patrons of the arts interested in promoting the growth of the Arts in Stoughton. The Arts Council is a Committee under the auspices of Stoughton city government, and working in coordination with the Stoughton Chamber of Commerce and the Visitor Services Department.

Stoughton is rich in culture and arts including music, theatre, visual and literary arts. Stoughton also offers many arts education opportunities, for both children and adults.

The Arts Council creates an opportunity for Stoughton artists to come together and learn from each other, provide information and resources for artists from any discipline, and offers a way to promote Stoughton as the cultural treasure it is, to both our residents and visitors alike.

BENEFITS OF MEMBERSHIP

•**Networking** Share ideas, information and experiences. By creating opportunities for artists to come together, the Arts Council helps create those important ties.

•**Awareness** As a member you may choose to have a link on the Arts Council website as well as contact information and a description of your work. One of our goals is to increase awareness of the impact of the arts on Stoughton's economy and culture. All area artists are invited to register on the free Arts Directory maintained by the Arts Council.

•**Education** Through informal and formal educational opportunities, the Stoughton Arts Council works to provide assistance in the forms of listing of available classes, and creating opportunities for discussion groups on arts related topics and eventually workshops for members about the business of the arts.

•**Resources** By pooling our information about other arts resources, such as grants, agencies and arts events, the Arts Council will be able to assist you, as a member, in finding resources to help you grow as an artist.
