

PUBLIC HEARING NOTICES

It will be the policy of the City of Stoughton to send notices of public hearings to all property owners within 300 feet of the affected properties (zoning, conditional use permits, planned unit developments, street vacations, urban service area changes, etc.), or if fewer than 10 properties are in the 300 foot area, that the area will be expanded to allow a minimum of 10 notices be sent.

Adopted by the Common Council on October 24, 1995.
